

## IETA Grant Request Form

### Introduction

The Idaho education Technology Association (IETA) is a statewide organization whose purpose is to promote, facilitate and sustain education technology and all its users while enhancing the education of Idaho's students for tomorrow's technology. For the second year the IETA is awarding up to \$10,000.00 in grants to:

- 1) promote student technology skills for Classroom sub-grant applications.
- or
- 2) technology infrastructure, communication, and collaboration for IT Support sub-grant applications.

These grants have been made possible due to the generosity of our annual IETA conference sponsors. IETA will award up to \$10,000.00. Grant proposals can be written for up to \$2,000.00. Please note only one grant submission for each IETA member. The grand evaluation rubric can be found at <http://www.idahoedtech.org/>.
